Moore Symphony Orchestra (MSO), formerly Moore Philharmonic Orchestra, is Moore County's intergenerational community orchestra, bringing together advancing student musicians and experienced adult musicians through a shared commitment to symphonic music. MSO is a tuition-free, volunteer-led nonprofit organization.

Each season, MSO presents two full symphony concerts for the community:

December – Annual Holiday Concert

May – Annual Spring Concert

Admission to MSO concerts is offered with a donation of the patron's choice, helping us keep our performances accessible to everyone. In addition to our season concerts, MSO musicians participate in community events and performances throughout the year.

Your support makes our mission possible.

MSO relies on sponsorships, donations, fundraising, and community support to remain tuition-free for our musicians and continue offering accessible performances to the community. Contributions help fund music and performance materials, concert and rehearsal venues, scholarships, operating expenses, equipment, and other program needs.

Moore Symphony Orchestra is a 501(c)(3) nonprofit organization, and appropriate charitable contribution documentation will be provided.

Sponsorship Opportunities

Several sponsorship levels are available. Select the sponsorship level that best fits you, your business, or your organization. Every sponsorship, at every level, plays an important role in supporting MSO and its musicians. Sponsors will receive recognition in our season concert programs and on MSO social media, along with any additional benefits included with their selected sponsorship level.

Thank you for supporting **Moore Symphony Orchestra** and helping us continue bringing musicians and our community **Together in Symphony**.
